Attendee Comments:

Excellent, excellent presentation. Need more time to dive into the key points. Great ability to engage the audience.
Very good presentation, timely, relative and full of takeaways to use immediately.
Excellent presentation and content.
Great session. Very interpersonal and great content!!! She has an Amazing personality as well.
I really appreciated your calm demeanor and facilitation with audience questions.
She knew her content
Glad I took her session. Lots of actionable information I can use at work.
Since we are just at the beginning stages of DE&I work this was an extremely relevant & useful session.
This was exactly what I needed. A practical approach to DEI efforts. Nicole presented in a way where attendees could easily see where the process and correct any missteps and take action in the event we were just spinning our wheels
